main description

Welcome in our cottage!

We propose you two bed-and-breakfast rooms with all the modern conveniences, in the center of the charming village of Léglise. You will be proposed several walks, bicycle rides or even donkey rides in partnership with the Tourist Office. The Tarpan network, the stag bell, water activities, tennis, mini-golf and so on...

The copious breakfasts made with local products are served in the dining room (or on the terrace if the weather is nice enough for this to be possible) with varied kinds of bread, home-made jams, fruit juice, local salt-meat and cheeses.

At the disposal of the guests: fridge, kettle and micro-wave, garden with a terrace.

Bottles of water and little thoughts will be waiting for you in the rooms.

Free wifi and parking place, indoor covered garage for bicycles and motorcycles.
